## Meat Industry Declares War On Fat

Sandra Coffey  
County Agent

From livestock producers to feeders to packers to retailers, the meat industry has declared war on fat in beef, pork and lamb products. Because consumers are demanding leaner meat, virtually all phases of the food chain have responded by producing and marketing meat products tailored to consumer preferences.

This trend is most obvious in the meat counters of grocery stores. In 1986, the average beef cut had 12 1/2% of external, trimmable fat. By 1988, the average cut had only 1.8% of trimmable fat. Pork and lamb cuts have also followed a similar trend. In fact, a "fat war" has developed between retailers to such an extent that many retailers are providing totally trimmed cuts at the meat counter. A recent national study showed that fat on retail meat cuts is not only trimmed at the grocery store, but 3/4 at home. Eighty-one percent of consumers trim some fat from meat cuts and 65 percent trim nearly all of the fat.

As beef, pork and lamb cuts are trimmed closer, the nutritive value increases proportionately. The United States Department of Agriculture has recently published the newly revised nutritional composition of

meat cuts to provide consumers with nutritional information on a "lean only" basis as well as a "lean and fat" basis for beef and pork. The new information will also be available for lamb in the very near future. As a result of this new nutrition information reflecting the leanness of beef, pork, and lamb, the American Heart Association now recognizes lean meat as a viable and healthful source of protein and other important nutrients to the American diet.

Not only is the retailer responding to consumer demands for lean meat, but animals are being marked before they can become overly fat. Thus, the amount of "intramuscular" fat, or fat within the muscle, is reduced. This is important because it is the type of fat that you cannot trim away. And more fat is being trimmed from the animals at the packing plants before it is sent to the retailer. To provide the kind of animal demanded by the packers and retailers, many ranchers and farmers are producing animals with superior trimness and muscling. Livestock producers are closely examining the genetics of their herds and flocks, trying to identify those individuals that will produce offspring with a minimum amount of fat and a maximum amount of taste appeal.

## Summer Is In Full Swing

Charlotte Martin  
Assistant County Agent

**SUMMER IS IN FULL SWING!**  
Many families are taking vacations, having cookouts, and playing ball. While there are a lot of things going on, I'm willing to bet there are some kids out there without much to eat. That's where we at the Extension Office can help. Beginning July 9 we will be sponsoring a Just For Kids Microwave Cooking Class. This will be a series of 7 classes. Young people ages 9-13 will learn how a microwave works, microwave safety, and how to prepare nutritious, low fat, reduced calorie dishes. The classes are free and will be taught by Sandra Coffey, Miriam Barlow, and myself. The classes will be on Tuesdays and Thursdays at 10:00 a.m. beginning July 9. For more information or to register call the Extension Office at 894-5596.

**MAKE SURE APPLIANCES WORK PROPERLY.**  
To prepare your food safely, kitchen appliances should work properly. Here are some tips for checking kitchen appliances.

Use an oven thermometer to check the temperature in your conventional oven. If it isn't working properly, have it serviced before you use it again. If the oven is heating properly, and you use a meat thermometer, you can make sure your meat and poultry cook to proper internal temperatures.

Check the microwave oven, too. Stale food particles left in the microwave can interfere with cooking time. Food cooks in the microwave by absorbing the microwaves. The molecules of the food begin to vibrate, and this friction creates heat within the food. Stale food can absorb some of the microwaves, and cooking time could be slower than usual.

To clean the microwave oven, place a mixture of lemon juice and water inside the oven and turn it on. The steam will condense on the oven surface and make food much easier to remove. The lemon juice will absorb odors. When cooking foods in the microwave, follow the manual's directions. Some recipes call for a 10 to 15 minute standing time after taking foods from the oven to allow the cooking process to continue. This prevents overcooking.

done right "on the spot." Powder and silver ashtrays will be easier to clean if sprayed or wiped first with furniture polish.

If baskets are used in your decorating scheme, let them also serve as storage containers. Organize bills, mail, kids' homework, toys, needles, work in baskets.

Have a laundry hamper in each person's room as well as the bathroom. There are many ways to make a special effort to deposit dirty clothes.

The letters pH stand for potential of hydrogen. It's a number used by chemists to indicate the concentration of hydrogen ions in a solution.

Area One is located on the Brantley Highway (AL 189). The board recommended this be zoned for residential - R2.

The location of Area Two is on the Troy Highway (AL 87N). It was recommended by the board that this area be zoned residential - R2.

Area Three located on the Brantley Highway (AL 125). The board's recommendation was that this be zoned residential - R2.

Area Four on the New Brockton Highway (U.S. Hwy. 84E) received a recommendation from the board that it be zoned residential - R2.

Area Five received a split recommendation for zoning which was that the first 200 feet be zoned residential - R1 and the remaining 300 feet be residential - R4.

The majority of the annexations involved land located 500 feet or closer to the highways named in the seven areas.

Area Zis located on the Kinston Highway (Hwy. 189S) and Area Seven located on AL 166 were both recommended to be zoned for agriculture - AG1.

These recommendations will be presented to the Elba City Council for action at the next meeting.

TOTAL COST OF NEW SCHOOL COMPLEX ESTIMATED TO BE \$13.5 MILLION

## Elba's Jr. High gym adds only \$2,000 to construction contract

by Ferrin Cox  
Publisher

The Elba City School Board on Thursday night reviewed the plans for the new central office, named a new auditing firm, and approved the monthly financial statement which included paying teachers, supplies and accrued construction cost on the new school complex. They also reviewed the school construction, showing \$56,692.29 spent during the month. Those funds are spent on items approved by the government as replacements for like items lost in the flood of 1990.

Pearce explained to board members that it wasn't necessary to issue a new contract for the addition of the Jr. High gym to the high school complex. He showed where a change order for \$2,000 accomplished the same thing and avoided the legal hassle and the additional architect fees.

Pearce explained that by moving parts of the project from the overall contract and paying for them from the federal flood damage funds, the whole thing was accomplished with a minimum cost to the school.

FEMA funds will pay for the \$30,000 to add irrigation to the football field; USDE funds will pay \$5,000 for projection screens in the classrooms; \$150,000 for food service equipment in the lunchrooms; \$50,000 for sound reinforcing between classrooms and \$50,000 for chalk/tack boards in the classrooms. This \$285,000 savings came within \$2,000 of completely offsetting the

firm cost of \$287,000 for adding the Jr. High gym into the complex as it is being constructed. It will be located near the main gym.

The new total contract for school park construction is \$13,507,000. This does not include the new central office nor completion of the football field.

The football field, as presently funded, will have the grading, irrigation, sodding, etc. but will not have the ticket booths, concession stands, lights nor the bleachers necessary to actually play football. The board is still in negotiations with the US Department of Education of flood damages and hopes this will yield the necessary funds to complete the ball field.

Board members were taken on a tour of the elementary school construction. They were also told the weather continues to hold up progress on pouring the foundation for the high school. Pearce said the delay means it is almost impossible to expect construction of the high school to be complete by July 1992.

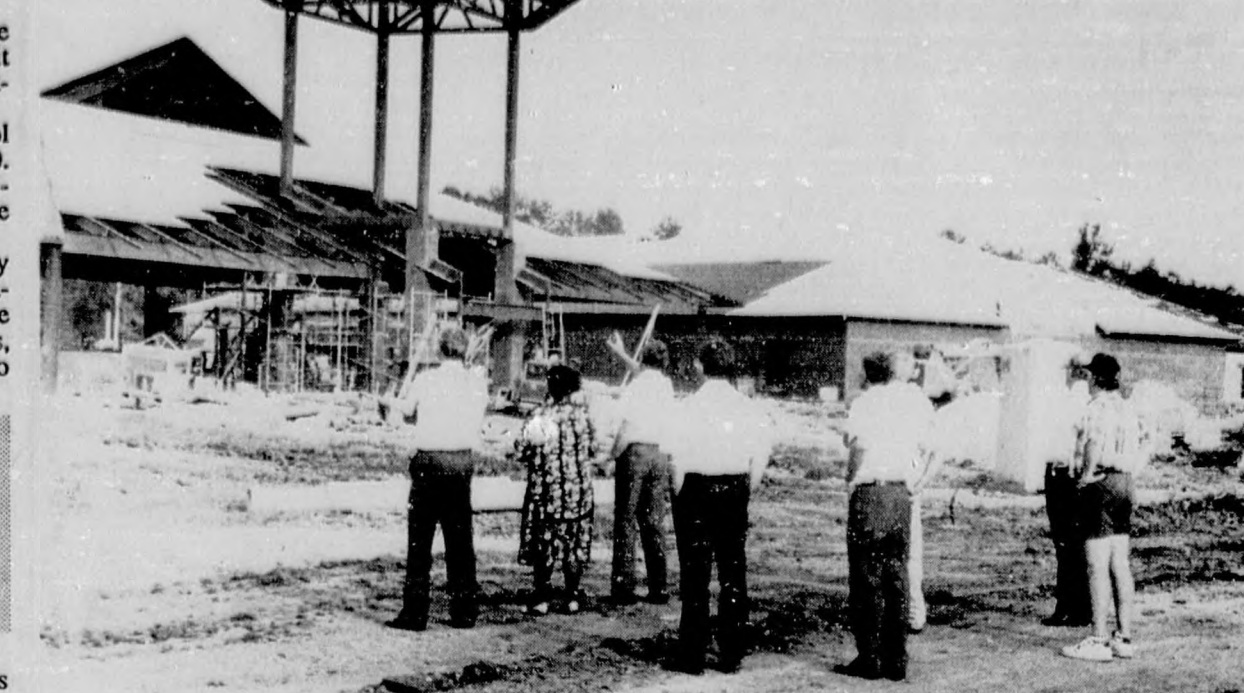

He declined to project a completion date.

Superintendent Pearce told the board members he wasn't ready to recommend the hiring of several new teachers. He said there were more highly qualified applicants for every position than any time he could remember. Pearce credited

cutbacks in other systems due to ration for making these highly qualified and experienced teachers available. Experienced teachers have been applied from several states other than Alabama and Pearce said Elba has a golden opportunity to capture

ESTIMATED COST TO FUND CAMP IS \$6,000

## Chin-ups Camp needs public's help

by Marvin McIlwain  
Editor

The Coffee County Extension Service, Department of Human Resources and the Juvenile Court System are joining forces to co-ordinate a "Chin-ups Camp" for youth at risk but they need the public's help.

Numerous individuals and groups have already volunteered to supply manpower, but there is still a shortage of funds to finance the camp.

In a meeting Monday of Chin-ups Committee members, it was made clear that if the money is not raised and raised quickly, the camp will have to be cancelled.

The four-day camp will be held August 7-10 at the King's Vineyard Camp owned by the Coffee County Baptist Association. Participants will go and come daily to the camp.

Tens, grades 7-9, have been selected to attend the camp on the basis of improvements in personal growth and academic achievements made prior to camp. Approximately 30-32 youngsters have been screened and selected to attend this camp.

Objectives of the camp are to significantly increase youths' self-esteem, reduce or eliminate delinquent behavior, teach the youngsters how to express thoughts, feelings and values in ways that strengthen parent-teen relationships. Drugs, alcohol and sexual behavior will also be discussed.

The estimated cost of the camp is \$6,000. This will provide facilities, food, program directors, transportation, awards, and speakers for the camp.

By raising the entire amount, the youngsters will be able to attend the camp at no charge to them or their parents/parents. Most of these kids come from single parent homes.

Monday, July 22, is the deadline for raising the \$6,000 needed to finance the camp.

Chambers County recently implemented this program and reported great success.

Myrna Rhoades, Chin-ups Committee Chairperson, stated that Mrs. Cynthia House from Memphis, Tennessee, who is a motivational expert, will be the camp program coordinator.

Also, assistance in providing transportation for camp participants from their home to pickup points in Elba, New Brockton and Enterprise is needed.

The program sponsors are hopeful that the Chin-ups Camp will become an annual event for area youngsters who are deemed "youth at risk."

Sandra Coffey, co-chairperson,

CHIN-UPS CAMP EXPLAINED...Chairperson Myrna Rhoades, along with other committee members, explains to the news media types just what Chin-ups Camp is all about and how it can possibly benefit the participants.

stated that the children who will be attending this camp are not juvenile delinquents, but are ones who do show signs of low self-esteem or who are having problems adjusting well to their present situation.

The camp will begin with a field trip to Kilby Prison in Montgomery and the youth detention facilities at Mt. Meigs. Also, a fun trip to the Montgomery Zoo will be enjoyed by the camp participants. They will then return to King's Vineyard for the remainder of the program.

Vernetta DeRamus, who assisted in the screening of the camp participants, said, "My involvement is a serious commitment to get kids back on track and to prevent them from falling through the cracks."

"There are plenty of kids out there who are in need of this program," she continued, "If we lose our kids, we all go down!"

Sandra Coffey said that anyone wishing to make a donation toward the program can contact the County Extension Service Office in New Brockton at 894-5596.

Also, assistance in providing transportation for camp participants from their home to pickup points in Elba, New Brockton and Enterprise is needed.

Joseph D. Creel's motion to be granted a new trial and have his earlier convictions on two counts of manslaughter by vehicle and one count of second-degree assault nullified is scheduled for hearing on Monday, July 22, at 8 a.m. in the Enterprise Court House.

Creel was convicted on the above charges last April and was sentenced on May 31st to 20 years in prison with all but 2 years suspended. Also he is on probation for 5 years with community service included. Creel is presently free on a \$30,000 appeal bond.

# BRAINSTORMS

With Ferrin Cox

It is frightening to think that a state agency with the legal responsibility to protect children can let as many as ten of these young people die in recent months for what is called indifference, neglect or incompetence. But that is the situation in Florida with the Health and Rehabilitative Services. Florida Governor Lawton Chiles even admits the newspaper reports are not news to his office and he is eager to revamp the agency. We are probably going to hear that the taxpayers must pour more money into the agency. However all the money in the world will not save a choking child if he is not on the paws, if he is not watching TV or reading a newspaper. That is the picture painted around the death of a ten-year-old who died last November at an IHRS center in Tampa.

The investigation of the Iran-Contra scandal is still brewing. Even though it is no longer front page news and the headline trials are over, independent counsel Lawrence Walsh is still grinding away at top CIA officials who may have lied to Congress about the illegal diversion of Iran arms sale money to Nicaraguan rebels. Right now this matter might again become front page with the nomination of Robert Gates to head the CIA. There continues to be accusations that Gates was a part of the cover-up, something he denies.

We have had some mighty hot days lately. We noticed the temperature on the thermometer in front of a bank read 100 Saturday. Wife Hedy and I had gone to Panama City on business Friday afternoon. When we finished, both of us were hungry, etc. and decided it would be best if we just spent the night. Coming back about noon Saturday we realized why we were so hot when we didn't directly in front of the air conditioner. A little thinking will give renewed respect for those who were out working under that hot sun. We grew up on the farm and wonder how we survived in those days when we didn't even know what air conditioning was. Now for the sun worshippers we left at the beach lying out in the hot sun... we just question their sanity.

We suggested several weeks ago that the U.S. military might give up huge Clark Air Force Base in the Philippines after the damage by the volcano eruption. Now it seems the powers-to-be have come to the same conclusion. We probably will not see any money over this... America will still have to support the many thousands of civilians over there who were on the payroll at the base. But at least the politicians can squirm a little over their previous statements about telling us to get out if we didn't pay the increased "rent" they wanted.

Summer Bandstra, 11, of Elba is pictured on Camp ASCCA's Pontoon Boat with ASCCA counselor John O'Connor.

Summer, daughter of Mr. and Mrs. David Bandstra, recently returned from ASCCA's camp for physically disabled campers aged 11 to 14.

Camp ASCCA-Easter Seals, a specially designed totally accessible facility, serves more people with disabilities than any other similar facility in the world. The camp is located on Lake Martin in east central Alabama.

Summer, who has cerebral palsy, spent a week enjoying other activities including fishing, canoeing, horseback riding, outdoor adventure activities, lakefront activities, arts and crafts...the same types of activities other summer campers enjoy.

Camp ASCCA's year round program is available to all Alabamians with disabilities ages 6 and older. For more information on Alabama's Special Camp for Children and Adults, call toll-free 1-800-THE CAMP (1-800-843-2267).

## Red Cross Blood Drive Scheduled For Elba In July

The Red Cross Blood Drive is scheduled to be held at the Education Building of the Elba United Methodist Church on Thursday, July 25 from 3:00 until 7:00 p.m.

The volunteers are sending out urgent pleas for local support of this vital service. Please Give Blood!

## Foster Grandparents Meeting To Be Held In Opp

Mrs. Delia Wood, Foster Grandparents Program Director, Human Resource Development Corporation, will be in Opp, Tuesday, July 23 to determine if there is sufficient interest in the county to establish a Foster Grandparents Program in Covington County. The meeting will be at 1:30

at MacArthur State Technical College in the conference room. The Foster Grandparents Program gives people 60 years of age and older the opportunity to serve children with developmental problems. Persons interested in establishing a program are urged to attend this first meeting.

The Alabama Chapter, Leukemia Society of America, is recruiting volunteers for its annual door-to-door campaign set for September 1-9. According to Louis Josof, chapter president, last year Alabama volunteers raised \$265,000 and this year's goal is \$275,000.

Funds from the drive will support the Leukemia Society's programs of research, patient services, and education. Leukemia and its allies - Hodgkin's disease, lymphoma and multiple myeloma, claim the lives of more children than any other disease. They strike eight times as many adults as children.

If you wish to help the Leukemia Society or need further information, contact the chairman of volunteers, Mary Nell Kibler at 205/299-1690. The Alabama Chapter office is located at 1608 13th Avenue South, Suite 103, Birmingham, AL 35205.

Mr. Hudson and Miss Huggins

### Huggins-Hudson Wedding Planned For August 17th

Mr. and Mrs. Jerry W. Huggins of Ozark and Mr. and Mrs. Devey L. Barnes of Opp, announce the engagement and forthcoming marriage of their daughter, Jeanne Ann Huggins, to Gregory Powers Hudson, son of Mr. and Mrs. Jimmy Hudson of Elba.

The bride-elect is the granddaughter of Mr. and Mrs. C.W. Huggins of Brantley and Mrs. Lillian Pines of the late Mr. James Percy Pines of Brantley.

Miss Huggins is a 1987 graduate of Opp High School. She is presently employed with Dale County Hospital in Ozark.

The prospective bride-groom is the grandson of Mrs. Ann Kinsaul and the late Mr. Dock Hudson of Enterprise and Mr. and Mrs. Jesse Powers of Enterprise.

Mr. Hudson is a 1981 graduate of Elba High School and is currently employed with Dorsey Trailers, Inc. in Elba.

The wedding is planned for August 17 at 2:00 p.m. at Mt. Olive Baptist Church in the Pine Level Community.

No formal invitations are being sent, but all friends and relatives are invited to attend.

### Nelson - Rhoades Wedding To Be Held July 19th

Mr. and Mrs. Gerald H. Nelson and Mr. and Mrs. Glenn Rhoades and Mr. Donald Tucker request the honor of your presence at the marriage of their children Loretta Tawana Nelson and John Hudson Tucker on Saturday, the twentieth of July, nineteen hundred and ninety-one at two o'clock in the afternoon at Damascus Baptist Church, route four, Elba, Alabama.

### Susan Dorsey Honored With Rice Bag Party

On Tuesday afternoon, July 9, Susan Dorsey, bride-elect of Joe Fleming, was honored with a rice bag party at the home of Freddie Pearce with Pearl Amison and Karen Brooks assisting as hostesses.

The entrance door was decorated with wedding bells adorned with ribbons and flowers of the bride's chosen color. Fresh cut arrangements were placed in the party rooms.

The guests enjoyed a refreshing sherbert dessert. Everyone then enjoyed visiting and helping Susan make the rice bags for her wedding.

### Mr. Fleming And Miss Bryan United In Marriage

Carla Michelle Bryan and William Christian Fleming were united in marriage on July 12, 1991 at the First Baptist Church of Elba with Dr. Frank Wells officiating.

The bride is the daughter of Mr. and Mrs. Donnan B. Bryan of Pine Level. She is the granddaughter of Mrs. Martha Fowler and the late Dewey Fowler of Dozier and Mrs. Jessie B. Bryan and the late Johnnie Bryan of Pine Level.

The groom is the son of Mr. and Mrs. William R. Fleming of Elba. He is the grandson of Mr. and Mrs. S.W. Fleming of Brantley and Mr. and Mrs. James B. Brantley of Banks.

The couple will make their home in Troy where Christian will return to his studies at Troy State University.

### Miserendino - Kelley Wedding Held March 16th

The First Baptist Church of Elba was the setting for the ceremony uniting Miss Sherry Lynn Kelley and Anthony Miserendino in marriage, on March 16, 1991, at two-thirty in the afternoon.

The bride is the daughter of Mr. and Mrs. Lamar Kelley, of Elba, and the groom is the son of Mr. and Mrs. Anthony Miserendino, of New Jersey.

Officiating the ceremony was the Rev. Bobby Driver.

For the exchanging of the vows, the church sanctuary was decorated with a massive sunburst arrangement of white gladioli, white lily of the valley, snapdragons and daisies, while the unity candle and altar was accented with greenery and baby's breath.

Music for the ceremony was provided by Mart Gray, organist and Tina Buz, vocalist.

The large gathering in attendance was able to view the ceremony from a unique perspective, as the bride and groom faced the guests throughout the ceremony. This gave the bride and groom, as well as the guests, the feeling of intimacy in this, the most solemn of all events.

Given in marriage by her father, the bride descended the aisle in a white, floor-length gown of silk satin. The bodice of the gown featured a sweetheart neckline and was enhanced by re-embroidered Alcon lace appliques with tiny seed pearls and iridescent sequins scattered on the lace motifs. The do-the-dor train cascaded down from the back bodice, which was a deep-plunging back accented by satin buttons. She wore a headpiece that was Y-shaped with flowers and seed pearls, with a small puff at the back accented with a short spray of lilies.

Serving the bride as maid of honor was Joetta Manchac, of Tallahassee, Florida. Ms. Manchac wore a black, tea-length gown, featuring a basque waistline.

Attending the bride were Miss Kerry Kelley, sister of the bride; Miss Haley Davis, of Opp, and Miss Heather Davis, of Opp. The attendants were fashioned to compliment the maid of honor with black bodices, enhanced with a black and white plaid taffeta skirt, which were accented with plaid bows at the back waistline. The bridesmaids completed their attire with black velvet and pearl headpieces.

Serving the groom as best man was his brother, Tom Miserendino. Groomsman was Brian Nolin, of New Jersey. The groomsman, and the bride, wore a dark gray suit and white shirt.

A beautiful ice-mold of the bride and groom was the centerpiece of the reception area, while behind the bride and groom table was a large cascade of white snapdragons and white lilies, with assorted foliage and greenery. The main center of interest in the spacious Country Club dining

Mr. and Mrs. Miserendino

room was a heart-shaped mantel decoration placed above the fireplace.

Balloons adorned the reception area, where guests were greeted by the entire wedding party and invited to the delicious catered dinner of barbecue pork, rice, slaw and all the traditional southern trimmings.

Mrs. Miserendino selected for her son's wedding a two-piece navy and white linen ensemble. Mr. Miserendino wore a dark gray suit and white shirt.

Immediately following the ceremony, a dinner reception was held at the Elba Country Club.

The bride and groom cut the wedding cake. Guests also ate from the bride's cake, which was a three-tiered cake adorned with bride and groom figurines.

Following a brief wedding trip, the couple resides in Orlando, Florida.

### Miss Renee Bass Honored With Afternoon Bridal Shower

Miss Renee Bass, bride-elect of Mr. Roger Eagerton, was honored with a miscellaneous bridal shower on Saturday afternoon, June 29, at the home of Mrs. Travis Killingsworth of New Hope.

Large peach bows marked the banister on either side of the entrance. A wreath of white satin heart-shaped silhouettes and love birds, accented with tiny peach ribbons and tied with a large peach bow, adorned the front door.

Guests calling between the hours of two and half past three were greeted by Mrs. Killingsworth and Miss Bass, honoree. Mrs. Steve Eagerton presided over the registry table. Other members of the family welcoming guests were Mrs. Doyle Bass, mother of the bride-elect, Mrs. Donald Eagerton, mother of the future groom, Mrs. Ruby Weatherford, maternal grandmother of the bride-elect, and Mrs. John Fryer, maternal grandmother of the future groom.

For the June bridal shower guests were served "old-fashioned" lemonade and "old-fancy" homemade tea cakes, along with smooth mixes, toasted almonds and fresh strawberries with a cream dip. The table was draped with an extra Army/Navy tablecloth and the delicacies were served from a crystal punch service and appointments. Fern with baby's breath and daisies encircled the punch bowl and off-white candles in crystal holders. Mrs. Greg Eagerton and Mrs. Billy Eagerton, assisted by Mrs. Billy Eagerton and Mrs. Ronnie Bass, presided over the punch bowl.

Miss Bass opened the gifts and hostesses invited the guests into the display rooms to view many other lovely gifts.

The hostesses for the shower were Mrs. Travis Killingsworth, Mrs. Steve Reeder, Mrs. Charles Lott, Mrs. Vincent Ziglar, Mrs. Ben Wilson, Mrs. Leon Hornsby, Mrs. Wayne Smith, Mrs. Byron Howell, Mrs. Steve Eagerton, Mrs. Rex Hughes, Mrs. Ronnie Bass, Mrs. Rex Killingsworth, Mrs. Billy Eagerton, Mrs. Mack King, Mrs. Silas Shepard, Mrs. Bobby Williams, Mrs. Ed Fillingim, Mrs. Sam Dismukes, Mrs. Eric Wilson, Mrs. Sidney Murphy, Mrs. Glen Reeder, and Mrs. Ray Sanders.

## TWO MINUTES WITH THE BIBLE

BY CONNELL R. STAN PAUL BETHLEHEM HOUSE SOCIETY CHICAGO, ILLINOIS 60635

THE FRUIT OF THE SPIRIT

"But the fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance: against such there is no law" (Gal. 5:22-23).

"The fruit of the Spirit" is that constant of grace evidenced in believers who "walk in the Spirit".

Let us never make the mistake of supposing that "the Spirit" is the "spirit of man" which is in him (1 Cor. 2:11). It refers rather to the Holy Spirit, the Spirit of God, who dwells in the believer.

The spiritual virtues listed above do not spring from any goodness in us, but from the Spirit of God, dwelling within.

Next, we should observe that these graces are not the product of human effort. The passage above declares that they are fruit, the fruit of the natural product of life and growth. Indeed, "the Fruit of

the Spirit" is here contrasted with "the works of the flesh" (Vers. 19-21), and these are all bad.

Finally, it is a remarkable fact that the graces which the Holy Spirit produces in yielded believers are certainly not those which the world fosters and admires.

The world admires self-confidence, self-respect, self-made power, etc., while the Spirit produces "Love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance." But consider the difference. A man may have self-confidence, intellectual acumen, political or other power—and he may still be very difficult to live with, but not so with the virtues which the Spirit produces. Of these who possess these graces the Apostle says: "Against such there is no Law."

Next, we should observe that these graces are not the

## Elba 13-year-old All-Stars win District tourney

The Elba Babe Ruth League 13-year-old All-Stars coasted through the District 2 Tournament without a loss last week to earn a spot in this week's State Babe Ruth Tournament, in Andalusia.

Elba opened the three-team event with a 10-9 win over Opp, then met Opp again Sunday afternoon and posted a solid 8-3 win to earn the tourney championship.

"We were confident going into the tournament," said Manager Robert Bowden, "and the players really gave it all they had. They had to come from behind in both games, which showed poise, and represented Elba well. The players worked hard in practice and deserve the District championship."

Following are highlights of Elba's win in the district tournament:

**ELBA 10 OPP 9**

Elba rallied with 5 runs in the final three innings to edge the Opp All-Stars 10-9, in the second round of the District 2 tournament.

Elba came out ready to play and took the pitching of Che Vaughan and the hitting of Eddie Cowen and Chris Tyson to grab a 3-0 lead by the end of the second inning.

Opp combined 1 hit with 3 walks in the third inning to plate two runs and chopped the Elba lead to 3-2; however, Elba answered with a run in the bottom of the third on an RBI single by Rudy Free and after three innings held a 4-2 advantage.

Opp was far from being finished and scored 3 runs in the top of the fourth to grab the lead for the first time at 5-4.

Elba scored a lone run in the bottom of the fourth on a triple by Chris Tyson and a single by Che Vaughan to pull even at 5-5; however, Opp broke loose with 4 runs in the top of the fifth and pulled out to a whopping 9-5 lead.

Walks to Eddie Cowen, Will Oggs and Shandez Daniels in the bottom of the fifth gave Elba hopes of a rally, and the hopes turned in as Che Vaughan came through with a bases-loaded double to clean the bases and cut the Opp lead to 9-8.

Elba pitcher Todd Grantham held Opp in check in both the sixth and seventh innings to give Elba the chance it would need to pull out the win in the final at-bat.

Che Vaughan singled and stole second with one out to start the Elba rally and then raced home on a single by Lindra Chism to tie the game at 9-9.

Chism stole second and third and then came across on a wild pitch as Elba rallied to take the wild 10-9 win.

Che Vaughan got 3 hits and collected 4 runs-batted-in to lead Elba at the plate, while Chris Tyson added 2 hits. Wilford got 2 hits for Opp.

**ELBA 8 OPP 3**

The Elba All-Stars spotted Opp an early 8-3 lead and then came roaring back to claim an impressive 8-3 win and take the district title without a loss.

Opp filled the bases on walks to open the game and then jumped to top 3-0 on a bases-cleaning double, only to see Elba come right back in the bottom of the first to plate 5 runs and take a 5-3 advantage.

Chris Tyson, Che Vaughan and Eddie Cowen all walked to load the bases for Elba, while Rudy Free doubled down the third base line to knock in three runs. Free scored on an RBI single by Todd Grantham and Grantham later scored on a clutch two-out single by Shane Bragg to give Elba a 5-3 lead after a wild first inning.

Todd Grantham shut the door on the Opp batters in the top of the second, but Elba was still ready to swing the bats and added 3 runs in the bottom of the inning to take a big 8-3 lead.

A triple by Che Vaughan started the second inning rally, and Vaughan scored on an RBI single by Eddie Cowen to up the lead to 6-3.

Rudy Free doubled in Cowen to make the score 7-3, while Free later scored on an error off the bat of Shane Bragg and after two innings Elba was off and running with an 8-3 lead.

A triple by Che Vaughan and Eddie Cowen all walked to load the bases for Elba, while Rudy Free doubled down the third base line to knock in three runs. ### Elba to begin state tourney action Saturday in Andalusia

The Elba Babe Ruth League 13-year-old All-Stars won the District 2 Tournament last week in Opp and in doing so earned a spot in the State Tournament, set for this week at Andalusia's Johnson Park.

The state tourney will begin on Friday in Andalusia, with five districts vying for the title. Elba will have the toughest draw, as it will face the winner of the Mobile-Tallassee district.

The double-elimination tournament will begin with the opening ceremonies at 5:30 on Friday afternoon, with actual games to begin at 6:00, when Tallassee meets Mobile, and at 8:00, when Andalusia tangles with West Alabama.

Elba will swing into action Saturday at 1:00 against the winner of the Tallassee-Mobile contest, with Bay Minette meeting the Andalusia-West Alabama winner at 3:00.

Games will continue at 5:00 and 7:00 Saturday in the loser's bracket, with winners to meet Sunday at 2:00.

I don't watch much TV, but the same can't be said for Melanie, our little two-year-old, who wants the TV on every time she walks through the den. Her favorite show? For some reason all she wants to watch is country music videos on CMT. Her favorite video is "Don't Rock The Jakobs," and she actually knows some of the words. Maybe we've got a future country singer on our hands!

### 13-YEAR-OLD BABE RUTH STARS WIN DISTRICT TITLE

The Elba Babe Ruth League 13-year-old All-Stars competed in the district tournament last week in Opp and posted two straight wins over the host squad to claim the district title and earn a spot in this week's state tournament, to be held in Andalusia.

The All-Stars were expected to have a competitive team and appeared ready to play, but played better than many thought in whipping a very good Opp team twice. The All-Stars played well on defense and made some big defensive plays in crucial situations, while over at the plate, the All-Stars knocked out 14 hits in two games and scored a total of 18 runs. The All-Stars played well enough to win and now is getting ready to go to state.

The state tournament will bring together the best teams from across south Alabama and to claim a state title is really a feat. Consider teams like Tallassee, Mobile, Andalusia, Bay Minette and the West Alabama All-Stars will join Elba in the field and it doesn't take long to see that Elba will have the smallest outfit in the tourney. The size of the town means little; however, takes time at a time to play.

Anything less than a state title will be a disappointment to the Elba players and coaches, but just to make it to state is quite an accomplishment and the Elba All-Stars have made it all Elba proud. Good luck to state!!!!

### DIXIE YOUTH STARS MAKING NOISE AT TROY

When the Elba Dixie Youth All-Stars dropped their first game at sub-district 5-1 to Troy, many wondered if the DYL's would be around for very long. The team was thought to be solid, but an opening loss can hurt, and one more loss and it's over. Not to worry! The All-Stars bounced back to knock out Greenville, Troy Nationals and Luverne, and Monday night were playing in the finals. The Dixie Youth All-Stars have fought back with their backs to the wall and have done well.

### COACHING CHANGES COMING AT ELBA HIGH

When the Elba Tigers take to the field in a few weeks there may be a number of changes, especially on the coaching staff. Assistant Leavy Boutwell left the staff to take a head job, while now it looks like assistant (head basketball coach) Hank Kennedy has left the flock for a job in Dothan.

David Lowery is being wooed by a 6A school for a head baseball job and may just decide to leave along with the rest, but I think he'll hang around and become the #2 man on the staff behind head coach Mack Wood.

New blood usually means new ideas and it will be interesting to see what transpires.

### Red Brahma wins 5 games at Class D district tourney

The Red Brahma softball team, of Elba, posted five wins before being eliminated last weekend as it placed in a tie for seventh in the 49-team Men's Class D District Softball Tournament, held in Dothan.

The Brahma lost its opening game to the Walton County Merchants, of DeFuniak Springs, 9-8, but then rallied to whip Strikers, of Dothan, 15-10; Ansell, of Troy, 12-3; SENA, of Dothan, 9-3; Davis

Floor Covering, of Dothan, 10-8, and the Walton County Merchants, 12-4, before being ousted by Sports Shop, of Andalusia, 7-3, in eight innings.

Leading hitters for the Red Brahma in the tourney included Mike Farris (13-25), Ken Hattaway (10-20), Mike McKee (10-22), Wade Johnston (11-25) and Jetey Wise (11-25).

Following are highlights of Elba's win in the district tournament:

**ELBA 10 OPP 9**

Elba rallied with 5 runs in the final three innings to edge the Opp All-Stars 10-9, in the second round of the District 2 tournament.

Elba came out ready to play and took the pitching of Che Vaughan and the hitting of Eddie Cowen and Chris Tyson to grab a 3-0 lead by the end of the second inning.

Opp combined 1 hit with 3 walks in the third inning to plate two runs and chopped the Elba lead to 3-2; however, Elba answered with a run in the bottom of the third on an RBI single by Rudy Free and after three innings held a 4-2 advantage.

Opp was far from being finished and scored 3 runs in the top of the fourth to grab the lead for the first time at 5-4.

Elba scored a lone run in the bottom of the fourth on a triple by Chris Tyson and a single by Che Vaughan to pull even at 5-5; however, Opp broke loose with 4 runs in the top of the fifth and pulled out to a whopping 9-5 lead.

Walks to Eddie Cowen, Will Oggs and Shandez Daniels in the bottom of the fifth gave Elba hopes of a rally, and the hopes turned in as Che Vaughan came through with a bases-loaded double to clean the bases and cut the Opp lead to 9-8.

Elba pitcher Todd Grantham held Opp in check in both the sixth and seventh innings to give Elba the chance it would need to pull out the win in the final at-bat.

Che Vaughan singled and stole second with one out to start the Elba rally and then raced home on a single by Lindra Chism to tie the game at 9-9.

Chism stole second and third and then came across on a wild pitch as Elba rallied to take the wild 10-9 win.

Che Vaughan got 3 hits and collected 4 runs-batted-in to lead Elba at the plate, while Chris Tyson added 2 hits. Wilford got 2 hits for Opp.

**ELBA 8 OPP 3**

The Elba All-Stars spotted Opp an early 8-3 lead and then came roaring back to claim an impressive 8-3 win and take the district title without a loss.

Opp filled the bases on walks to open the game and then jumped to top 3-0 on a bases-cleaning double, only to see Elba come right back in the bottom of the first to plate 5 runs and take a 5-3 advantage.

Chris Tyson, Che Vaughan and Eddie Cowen all walked to load the bases for Elba, while Rudy Free doubled down the third base line to knock in three runs. Free scored on an RBI single by Todd Grantham and Grantham later scored on a clutch two-out single by Shane Bragg to give Elba a 5-3 lead after a wild first inning.

Todd Grantham shut the door on the Opp batters in the top of the second, but Elba was still ready to swing the bats and added 3 runs in the bottom of the inning to take a big 8-3 lead.

A triple by Che Vaughan started the second inning rally, and Vaughan scored on an RBI single by Eddie Cowen to up the lead to 6-3.

Rudy Free doubled in Cowen to make the score 7-3, while Free later scored on an error off the bat of Shane Bragg and after two innings Elba was off and running with an 8-3 lead.

### Great Opportunity To Increase Fruit And Vegetable Production In Coffee County

Richard L. Petcher, Assistant County Agent, says there is a great opportunity in Coffee County for an increase in fruit and vegetable production. In looking at peaches, Chilton County is the major peach production area of this state. We have both the soil, climate and manpower for peach production here. One main advantage we have here is that our season usually runs about two weeks ahead of Chilton County and that gives us quite an advantage in the market. There is an opportunity for pick-your-own (PYO) fruit and vegetables in Coffee County. Peaches, blackberries, blueberries, strawberries, and muscadines do well here. There are a few small berry farms here, but no where close to what the need is. It takes some skill to grow these crops and management skills to market them. One advantage with marketing PYO is that there are many people here who have lived in other areas of the country where there are pick-your-own fruit farms, and these people are accustomed to PYO and expect to find these farms here. Many people really enjoy PYO. All of the fruit quality is

high. Any time you have a lag time between picking and eating a fruit, the quality goes down. Also, this fruit is reasonably priced and can be quite a savings. And many people see a trip to a PYO farm as recreation and a fun family outing. Starfire has been giving excellent control of weeds in peaches when they are upping the rate. Upping these rates are to your disadvantage. First of all, the Starfire needs to be applied before the peanut starts blooming. Many of our peanuts have started blooming early this year because of the extra moisture and warmth. On these late planted peanuts, you will want to apply the Starfire when peanuts are young (approximately 14 days old). You do not want to apply the Starfire too late in the afternoon either as Starfire does need sunshine to be activated. Spraying too late in the afternoon will give poor results.

Oh, for a closer walk with God, a calm and heavenly frame: A light to shine upon the road that leads me to the Lamb! Where is the blessedness I knew when first I saw the Lord? How sweet thou memory still! But they have left an aching void The world can never fill. Return, O Holy dove, return, sweet messenger of rest: I hate the sins that made thee mourn and drove thee from my breast. The dearest idol I have known, what that idol be, help me to tear it from thy throne, and worship only Thee.

**C.C. Soil & Water Conservation District**  
 Accepting Applications

The Coffee County Soil and Water Conservation District will be accepting applications from individuals owning a poultry broiler operation for cost share on a poultry compost/dry stack facility.

Persons living in the Double Bridges Watershed of Coffee County are eligible to sign up for a dead bird compost. The compost is a new method farmers are using to dispose of dead chickens. It involves a process of layering chicken litter, peanut hull and dead chickens in a bin. Over a total of 28 days the dead chickens are turned into a rich fertilizer that can be applied to the land.

Any poultry producer in Coffee County that has a need can apply for a poultry dry stack facility. This dry stack facility is a pole barn that is designed to store chicken litter in until it is needed either to feed or apply as fertilizer.

Project grant as authorized under Section 319 of the Clean Water Act. The project's intended purpose is to demonstrate measured improvement of water quality through effective management of animal by-products. An official application form may be completed at the Coffee County Soil and Water Conservation District Office, Coffee County Agricultural Center, New Brockton, Alabama. Applications will be taken at the District Office beginning July 1, 1991 from 8:00 a.m. to 12 noon and 1:00 - 4:00 p.m. each day.

## LDOS offers commission 30 to 35 percent savings on LD phone calls

by Marvin McIlwain  
 Editor

Representatives from LDOS (Long Distance Discount Service) of Montgomery offered a proposed savings to the Coffee County Commission of 30 to 35 percent on long distance phone calls.

Robin Earl Morgan and Alan Henderson with LDOS told the commissioners in Monday morning's meeting that after reviewing the county's phone bill, they felt that a savings of \$15,000 to \$20,000 annually could be realized by the county. Henderson noted that the implementation of the LDOS system would not in any way affect the present local service or change any of the county's telephone equipment. GTE South will still provide equipment and local telephone service to the county facilities.

The commissioners asked Plant to allow them time to look at all their options and that he examine other options with the City of Elba. Commission Chairman Billy Eagerston asked that Plant check back with the commission after reviewing all the options.

County Engineer Mark Pool told commissioners that the repairs to flood damaged roads should be completed by late September or early August.

Pool also stressed the fact that the "complaint crew" (the highway department crew responsible for fixing "pot holes" and "rough shoulders" on the county's paved roads) need better addresses or locations than they have been getting of spots needing repair work. Also, the crew needs to know all the repair sites prior to moving into the area.

County Administrator Wilson Mobley presented a request from Sheriff Brice Paul for an additional \$5,000 in the sheriff department's budget.

According to Mobley, the sheriff stated that the additional monies would be used for automobile repair and gasoline for department vehicles. It was required.

Eagerston said, "Brice has worked

## Leroy Harrison Bullard to celebrate 100th birthday

Leroy Harrison (Roy) Bullard, son of Mr. and Mrs. Frank Bullard, was born on July 31, 1891, in Arley, Florida, which is located in Walton County. He had two brothers, Willie and Alton, both of whom are now deceased.

When Mr. Bullard was six years old, his family moved to Elba, Alabama. They traveled on a dry cart drawn by oxen. The family left early one morning, camped over night, and then arrived in Elba the next day late in the evening.

Mr. Bullard served in World War I from August 1916 until December 1918. On September 6, 1923, Mr. Bullard married Estelle Grimes, the daughter of Joshua English Grimes and Charity Foley Grimes, at the home of Mr. and Mrs. Grimes in the Curtis Community. The couple was living in Elba during the Flood of 1929. At this time, the Bullards' son Harry had the German measles. Their home was destroyed by the flood, and the family moved to Opp, Alabama, where Mr. Bullard operated the Chevrolet Dealership for two years.

Mr. Bullard became a member and a deacon of the New Ebenezer Baptist Church in the Curtis Community in 1930. In 1932 the Bullards moved to Curtis to the homeplace of his wife. The couple still resides there today.

Over the years, Mr. Bullard has had several different jobs. He drove cows from Elba to Opp. The drivers rode horses to drive the cows, and the drivers furnished their own horses. Mr. Bullard recalls that the cows would stop along the road to drink water when it was found. Mr. Bullard received \$1.25 per day as his salary. However, 25 was used to buy food for the horses, and Mr. Bullard paid another 25 for food for himself. Mr. Bullard also worked for Dorsey Trailers for twelve years as shop and sales manager. At this time Dorsey Trailers was located in the downtown section of Elba. After working at Dorsey Trailers, Mr. Bullard worked as a substitute mail carrier. He earned a salary of \$2.00 per

day. He had to furnish his own horse and buggy.

Mr. and Mrs. Bullard have one son, Harry Bullard, three grandchildren, Harriet Boyd, Mike Bullard, and Shayne Bullard. They also have

**BIG DRUG BUST** on Smith Avenue in Elba on Monday resulted in two men being arrested and a large amount of money, two vehicles, a pistol, bags of marijuana and related items for growing, selling and smoking the illegal drug being impounded by the Elba Police Department. Jackie Morris, age 35, and Chris Dodson, age 22, were both arrested and booked on various charges in the case. Police impounded two automobiles; almost \$2,000 in cash; a pound of marijuana valued at \$1500 or more; three sets of scales; needles, cigarette papers, various pills and a pistol; marijuana seeds and several "How-To" books on growing herbs and marijuana; plus several indoor lights and other items of home growing apparatus. One plastic bag of a white substance had not been identified at press time. It was analyzed in a drug lab.

Police first stopped one of the men in a car, finding some of the items above. They then executed a search warrant on the Smith Avenue house and found the balance of the impounded items. Assisting with the arrest and executing the search warrant were member of the Elba police Department and Donnie Byrd of the 12th Circuit Drug Task Force.

### COUNCIL APPROVES ACTION TAKEN BY ZONING BOARD

## City of Elba sells land to Kleinert's

by Ferrin Cox  
 Publisher

The Elba City Council on Monday evening approved the sale of a small piece of land. The sale will be to Kleinert's but the property adjoins Hickman Moving and Storage and will be exchanged to Hickman for a slice off the North side of Hickman's property.

Kleinert is again active with an expansion plan they announced prior

to the 1990 flood. The piece of land being sold is part of the Industrial Park that is on the South side of Hickman's storage facility. The property is 230 feet long X 32 feet wide.

An appraisal on the property indicated a value of \$1912. However Mayor Fred Moore recommended it be sold for the expansion at \$1500. Council member Bill Brunson suggested the minutes include all seven acres zoned appeared to be represented at the zoning meeting last week. He added that the residents were apparently satisfied with the zoning decisions.

Police Chief Freddie Hanchey reported the activities of the police department during the past two weeks included 141 complaints, including 6 traffic accidents.

Hanchey noted one of the traffic accidents was again at the intersection of Troy Highway and 203 Bypass with several injuries. He explained to the council that the state highway department had absolute control of this intersection and the

action by the zoning board to zone the property annexed into the city limits in 1987. The zoning range from agricultural to single family residential. ### Elba Girl Scouts to hold open house

The Elba Girl Scouts will be holding open house on Saturday, July 27, 1991, at 10:00 a.m.

Extensive damage was done to the Girl Scout Hut by the March '90 flood. Repairs have now been completed and the building is ready for use.

The public is invited to come and join the scouts in celebrating the reopening of their facility.

Location of the hut is behind The SouthTrust Bank in Elba.

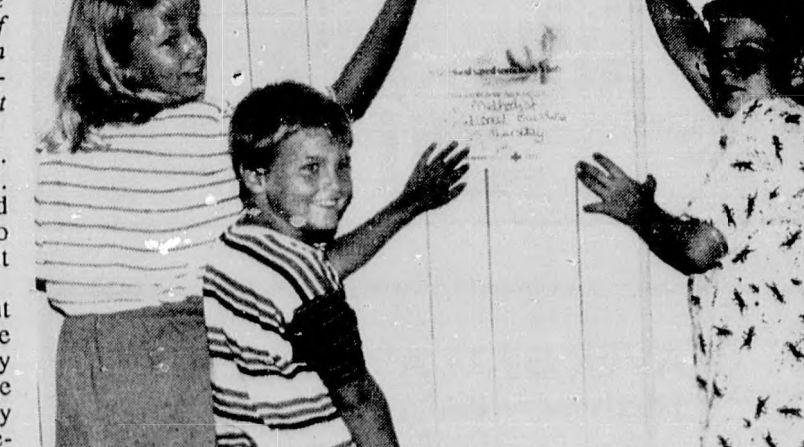

### Band Boosters meet tonight

The Elba Band Boosters will have the first meeting of the new school year on Thursday night, July 25 at 6:30 p.m. The meeting will be held in conjunction with the student band practice.

All band boosters are encouraged to attend this meeting.

Monday of this week. During the same time period they issued 36 traffic citations, including two for DUI. The animal control officer picked up 36 dogs. One of these was returned to the owner and one was sold.

The police also made 16 warrant arrest including the big drug bust on

**REMEMBER THE BLOOD DRIVE** These young people are doing their part to remind adults that the Red Cross Blood Drive is set for this Thursday, July 25th in Elba. The blood collection point is in the Educational Building of the Elba United Methodist Church. The hours are from 9p.m. until 7p.m.

### Bicycle Safety Course

The Elba Police Department will be sponsoring a Bicycle Safety Course on August 3rd for children ages 6 and up. The course will be held at the Elba Airport on Larkin Road starting at 9:00 a.m. The purpose of the course is to provide children with basic information that will enable them to handle and operate

bicycles in a safe manner. Children are requested to provide their own bicycles and parents are welcome to attend. Pre-registration forms are available at the Elba Police Department, or for more information, contact the Police Department at 897-2555.

### A wash out!

The Elba Babe Ruth League's 13-year-old All-Stars saw their quest for the state championship delayed Tuesday night when the title matchup with Bay Minette was rained out with Elba trailing 3-1, after four complete innings.

Bay Minette scored 1 run in the first inning and 2 runs in the second to grab a quick 3-0 lead, while Elba scored in the third to cut the lead to 3-1.

The game was stopped due to a severe thunderstorm at 6:30 and postponed at 8:20. The game was scheduled to be picked up Wednesday at 5:30, where it had been stopped with action in the fifth inning. If a second game is needed it will be played immediately following the first game.

Look next week for complete details of the All-Stars' results in the championship round.
